### Why participate?

Be a part of a local, high quality art music event, presenting contemporary music composed by an award winning composer.

Bell Curve is a site-specific work that will be unique to Burrinja. The presentation will occur in unconventional locations in venue (foyer, gallery, etc) or even multiple locations.

The presentation of Bell Curve will be part of our *Art After Dark* program alongside other programmed events such as exhibition opening, artist talks, children's activities, gallery tours, workshops, etc. This is a highly anticipated event, more information will be provided closer to the date.
